GOLDSBORO N. C., JULY 21, 1892.

"WE ALL STOOD FIRM."

Capt. Alexander's Remark about the Silver Fight.

WASHINGTON, July 16.—The North Carolina delegation in Congress is not pleased with the fate of the silver bill and are not anxious to discuss the probable effect on North Carolina politics. "We all stood firm or free silver," said Capt. S. B. Alexander, "even to the negro and we must make the best of the result possible." The anti are jubilant over the triumph of Mr. Cleveland's views. If the people's party had not made so big a blunder at Omaha in the nomination of Weaver, Congressmen could be found by the dozen who would admit that the next election of President would be thrown into the House of Representatives. If Southern Democrats who are inclined to look to the people's party for relief hope to see the West vote for a ticket with an ex-Confederate soldier on it they will see how badly they are mistaken when the returns come in from November's election. There is not a well informed politician in Washington who believes that the people's party will carry a single State. The most that is accredited to it is the possible power of rendering two or three Southern States Republican and as many Western States Democratic.

I was talking with a Kansas officeholder the other day about the probable result of the coming contest and suggested that if Col. Folk had lived and been placed on the ticket there might have been trouble ahead for both old parties. "If you think any man who was in the Confederate army stands the ghost of chance of carrying Kansas or any Western State you don't know anything about the people of those States" was his reply.

Unless there is a hitch in the conference on the remainder of the appropriation bills Congress will adjourn by August first. The Sundry civil appropriation bill is the main thing that is likely to postpone adjournment. The Senate amendments increase the appropriations of this bill eleven million dollars and the House committee has recommended a non concurrence. The naval, army and legislative appropriation bills all went to the President yesterday.

The defeat of Senator Hill at Chicago has not decreased the popular interest in that great democratic leader and the proof of this assertion is to be found in the galleries of the Senate any day in the week. Every visitor who fails to recognize the New Yorker is sure to ask to have him pointed out. This occurs most frequently, however, when the Senator is away, so thoroughly has the newspaper cut gotten in its work. If Hill's name is not the most frequent on the Record it can be heard in the gallery more often than that of any other Senator.

The following changes in North Carolina postoffices were made during the week: F W Gregory appointed postmaster at Crowell's, Halifax county, vice L D Gregory removed; Marion McDowell county, G W Crawford, vice J Yancey, Jr., resigned; Wilmot, Jackson county, V T King, vice T M Frizzell resigned; Zireoni, Henderson county, F H Hughton, vice R J Hart, resigned.

The Secretary of War has appointed Plato T Durham of Greensboro, as cadet from the Fifth North Carolina district to West Point Military Academy.

## SUMMER SCHOOL!

As a good many parents prefer to have their children kept under discipline, rather than given free latitude during vacation, preferring to temper the one with the other, I shall open on Monday next, a Summer School in the graded school building, where all children committed to my care and teaching will receive my best attention. Parents can confer with me at the school during school hours, or at my house in the afternoons.

# DR. BOYKIN'S WORM - KILLER

"The Best Selling Vermifuge in the Market"

THE MOST RELIABLE WORM DESTROYER IN USE,

Recipe furnished to any regular physician when requested.

Read the following from one of the most prominent and best known physicians and farmers in South Carolina. He writes "that a negro girl ten years old near him took three doses of the Worm Killer and passed 366 worms." Dated, Ridgeway, S. C., May 20, 1884. R. H. EDMUNDS, M. D.

Mr. H. M. McDonald, of LaGrange, N. C., says: "Dr. Boykin's Worm Killer brought over 100 worms from one child in this neighborhood; and it gives universal satisfaction." He sells more of it than all other worm medicines.

LaGrange, N. C., July, '87. Mr. J. P. Joyner—I gave my child one dose of Boykin's Worm Killer, purchased of you. It brought 366 worms. I consider it the best worm medicine made. Respectfully, J. W. THOMAS.

## A Note Of Warning. TO THE PUBLIC.

AS A MATTER OF JUSTICE TO ourselves and to the reputation of Dr. Leslie E. Keeley's Double Chloride of Gold Remedies for the cure of the Liquor, Opium, Morphine and Tobacco Diseases, and Neuritis, we warn the public that these remedies are used by no institution or sanitarium in the United States, except those established by our company under the uniform name of "THE KEELEY INSTITUTE."

All others claiming to use our remedies are frauds and impostors. We have now sixty Keeley Institutes established in various parts of the United States, where the Keeley Treatment is administered, and the Keeley remedies sold. We, however, caution all who examine well and know that they are dealing with genuine REPRESENTATIVES, authorized by us, before taking treatment or purchasing remedies.

The fraudulent establishments use the name of "B. Chloride of Gold" or similar titles. The newspapers do not discriminate sufficiently to know that they are imitators, and so put down all accidents occurring at such establishments as being brought about by the Keeley Treatment. This is a matter of much concern to us, and hence this warning. Respectfully Yours,

The Leslie E. Keeley Co.
